No aplica.

Quality specifications for the product:

This product does not contain and has not been derived from genetically modified organisms, in any of its starting materials and processing steps.

The product complies with Regulation (EC) No. 396/2005 of the European Parliament and of the Council of 23 February 2005 on maximum residue levels of pesticides in or on food and feed of plant and animal origin and amending Council Directive 91/414/EEC and its subsequent amendments.

In relation to contaminant content, the product complies with the limits established in Regulation 1881/2006 for Ochratoxin A and Pb and its subsequent amendments.

At all times, packaging materials and articles are used that have been manufactured under Regulation 10/2011 of January 14, 2011, which establishes the specific requirements for the manufacture and marketing of materials and articles intended to come into contact with food.

The food information provided to the consumer on this product is based on EU Regulation 1169/2011 (25 October 2011) AND EU Regulation 2021/2117 (2 December 2021).

The product complies with REGULATION (EU) 2018/848 OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL of May 30, 2018 on organic production and labeling of organic products.

The product complies with the current production and labeling standards for wines with Protected Geographical Indication.

The company is ISO 9001 and IFS certified for its Quality Management System and food safety:

ISO 9001: Mostos y Vinos.

Algunos productos están excluidos del alcance de la evaluación IFS FOOD y los detalles de la exclusión se pueden proporcionar previa solicitud.
